## WORK

ScimitAR Studios

2017

Co-Founder of AR/MR Game Development company ScimitAR, that has worked with Te Papa and the Wellington district council. The ScimitAR team is focusing out work at Mahuki, Innovation Hub of Te Papa, on an augmented reality game which enables player to participate in a virtual scavenger hunt.

Yoobee School Of Design

2017

Employed as a tutor of 3D Modelling and Animation for Level 3 "iCreate" course and School Holiday Programme.

The Paper Rain Project

2015 - 2017

Woodworker, CNC router & Laser Cutter Operator, and 3D Artist. I was employed to help develop and produce a new line of recycled wine-barrel longboards

Mahuki - Innovation Hub Of Te Papa

2016

I was interning for the company DotDot, who were participants of the Mahuki Innovation Hub. My role involved, 3D prop and environment modelling, texturing, and rendering.
